GARDEN REFUSE PICK UP

The Town of Canora is planning its annual one-time back lane pickup of garden refuse to be held the week of September 25 to September 29. Please set out your garden waste in piles adjacent to your back lane by September 24 to ensure it is picked up. Do **NOT** place in bags, boxes or cans.

WATER MAIN FLUSHING

The Town of Canora will be flushing water mains at the following times:

8 p.m. on Tuesday, Oct. 17 until 8 a.m. Wednesday, Oct. 18
And 8 p.m. on Wednesday, Oct. 18 until finished on Thursday, Oct. 19.

The public is advised to save some drinking water and avoid doing laundry as the flushing may cause temporary discoloration.

LEAVES, GRASS CLIPPINGS AND GARDEN REFUSE

Residents are encouraged to deliver grass clipping, leaves, tree trimmings and garden refuse to the landfill so that they may be composted. There is no gate fee to deliver grass clippings, leaves, tree trimmings or garden refuse to the landfill.

When these items are picked up at your front curb by the garbage truck, they are buried in a pit with household garbage. This reduces the capacity and lifespan of the landfill.
